

Two years on from the start of the COVID-19 pandemic, we want to say thank you.

Lancashire Teaching Hospitals NHS Foundation Trust has been proud to serve our communities throughout this immensely challenging period.

It's our job to look after you. But we couldn't have done it without your support and kindness.

The pride and faith you showed in NHS workers helped us to face every challenge.

Your gifts and generosity helped to lift the morale of front-line colleagues.

Sacrifices you made during lockdown helped to prevent the spread of the virus.

Your patience and understanding when we changed the way we deliver care made our job possible.

And every vaccine dose you accepted helped to control the virus and make us safer as a community.

We've been together every step of the way in the fight against COVID-19.

On behalf of Lancashire Teaching Hospitals, and the whole NHS: thank you.

As we begin to emerge from the pandemic, our mission of providing excellent care with compassion continues.

We have fantastic career opportunities for local people who want to be part of our story – turn the page to find out more about how to join us.

Healthcare Assistants

Passionate. Essential. Inspiring. Dedicated. Invaluable.

That's how our colleagues describe our Healthcare Assistants – and we have opportunities for you to be part of this amazing team.

We offer fully paid training - you don't need to have worked in care before to be eligible to apply.

During your first three weeks you'll complete your Care Certificate, before using your new skills to support patients in our wards and departments.

Admin & Clerical roles

Have you got the skills to help keep our hospitals running smoothly?

We have all kinds of different tasks and roles available for clerical and administrative staff. You could be

inputting data and information, providing a reception service, undertaking secretarial tasks, producing letters and documents, filing medical information, answering calls, booking people in for appointments and more.

Facilities staff

We're looking for great people to join our fabulous Domestic, Portering, Catering and Maintenance Teams. Often described as the backbone of our hospitals - we simply cannot deliver services without you.

We are also currently recruiting for:

- Medical staff
- Midwives
- Staff Nurses
- Laboratory staff
- Pharmacy Assistants
